Treasurer's Report: Beginning Balance: \$1477.86. Check received from Butte Orthopedics for \$25.00 for Christmas party. Check written for \$91.67 to SHRM for Steve Beck seminar. Ending Balance: \$1411.19

Old Business:

Speaker: Tammy O'Connell from Stix and Stonz Carpet. Tammy stated that she began this new business last June. Previously she had worked at Paper Moon. She explained that they assist with interior design and offer a wide variety of floor coverings and window treatments. Her business is located at 5050 Harrison Ave next to the 5 Mile. Tammy also indicated she would like to become a member of our JSEC. She already assists with Butte Business Day.

Our speaker in January will be Dr. Ed Peretti of the Amherst Animal Hospital. His presentation will be on the "Rotary East Ridge Foundation" what they have done in the past and what their future plans are.

Christmas Party: Tuesday, Dec. 12 at noon at Job Service. We will be having Chicken and Spaghetti. Invitations will be sent out and it would be appreciated if members would RSVP so we can get a correct count to order the food. Please plan on attending. Again this year we are putting together little gift bags for the Job Service Staff. If you have anything you can donate from your business just let Michelle know. We are making up 10 bags. Thanks in advance.

Butte Business Day: Butte Business Day will be Wed. January 10, 2007. Michelle is starting to schedule employers with students. Eric said he would see if he could find some engineers; Jason a massage therapist; and Sharlet some attorneys. Jodi has already said she will send some veterinarians from her office. Tammy O'Connell always has students interested in Interior Design come to her business to learn about it. If any other member can think of someone who could interview some students on that day please let Michelle know. There are approximately 400 students to be placed with an employer in the profession they have chosen for their future.

New Business: No new business.

Next Meeting: Tuesday, Dec. 12, 2006 at Job Service. The meeting will be at 12 noon for our Christmas luncheon.
